Remarks

This very popular Princeton floorplan boasts the most quiet and serene backyard in Bridgewater. The designer landscaping adds just the right amount of privacy but doesn't take away from the million-dollar water view. The rod iron fencing is perfect for securing children and pets. As you enter, you'll be greeted by a beautifully designed, open floorplan and large screened lanai, perfect for entertaining. The kitchen boasts black stainless-steel appliances, gray cabinetry, spacious granite countertops, counter-to-ceiling tiled backsplash, under-the-cabinet lighting, and a thoughtfully designed breakfast nook with stone wall, coffee bar area and access to the relaxing lanai. The kitchen opens directly into the living room, creating a perfect setting for hosting friends and family. The large living room, with tray ceiling and additional lighting, overlooks the peaceful, fenced-in backyard with water fountain feature, and pond, and boasts sliding doors that, when opened, brings the outdoors in. The primary bedroom, with tray ceiling, is large enough for a king bedroom set plus a reading area. It also has its own private entry to the lanai. The primary bathroom, with dual sinks, has both a relaxing soaking tub and Roman shower. A large walk-in closet with generous shelving makes it
